As a parent/ guardian of Renaissance Classical Preschool (a GS110, church owned organization), I profess that I am not only a Christian, but I live my life according to the word of God. I use the word of God, I teach the word of God to my child/children, and apply the word of God in order to teach my child/children the word of God according to the Holy Bible. I believe that the word of God was written by Holy men that were inspired by the Holy Spirit. I believe that every word is true, and I will not add to it nor take away from it.

Statement on Marriage, Gender, and Sexuality

It should go without saying that marriage matters. God created and sanctioned marriage to bring together men and women, the complementary halves of humanity, by joining them in “one-flesh” unions. (Gen 2:18-25.) Marriage between one man and one woman for life uniquely reflects Christ's relationship with His Church. (Eph 5:21-33.) Marriage also serves as the foundational unit of a stable society. (1 Cor 7:2.) It provides the best chance that children will grow up in the same home with both their dad and mom. Among many other negative cultural developments over the last several decades, the general acceptance of sex outside of marriage and other sexual sins, including homosexual behavior constitute direct attacks upon this timeless and universal institution.
